

Adopt a Friend for a Birthday Gift

Your child can choose from our list of 30 live animals to adopt for a year at a time.

Adoption prices are based on the amount of food, care and attention each animal requires. Each adopter receives a gift basket including the animal's picture & fun facts, themed goodies, and a free pass to visit her/his new special friend. A name plate with the child's name is placed by the animal.

Call for information and an application.
