

Elachee Nature Science Center

Guidelines for “First Wednesday” Home School Participants

Check-in takes place in the Gift Shop lobby of Elachee’s main building, unless the program is at one of our satellite sites. You must check-in each time before participating in a program.

Everyone who attends the program must be registered in advance, including parents and siblings—no drop-ins allowed unless prior arrangements have been made with Education Director or Education Program Manager.

Parents/guardians will receive an e-mail once a month as a reminder of the upcoming programs. All details of upcoming programs will be emailed to guardians at the above address. Please read the information and call us if you have any questions.

**There will be no substitutions, make-up allowances or credits for absences.
Families have the option to register either for the entire year or by the semester.**

A refund request must be submitted for consideration in the form of a written letter addressed to the Education Director. A \$15 administrative fee will be deducted for each approved refund.
