Master Naturalist

What is the Georgia Master Naturalist Program?

The Georgia Master Naturalist Program is an adult environmental education program of the Warnell School of Forestry & Natural Resources and The University of Georgia Cooperative Extension Service.

A series of weekly programs with specific environmental topics, the program is a combination of lectures and outside hands-on learning that serves to connect people with nature and help them become engaged environmental stewards.

What Topics Does the Program Cover?

Geology

Tree Identification

Wildflower & Plant ID

Animals & Their Habitats

Nature Journaling

Birds & Migration

Natural Resource Management

Exotic Invasive Plant ID

Astronomy

Mountain Ecology

Urban Forestry

Water Resources

Elachee's Georgia Master Naturalist Program

Weekly sessions: August 17th through October 19th, 1:00-5:30pm
Plus 1 field trip: October 16th, 9:00-5:00pm

Join Elachee staff and invited speakers for a hands-on program that explores habitats and ecosystems in Georgia. After completing this fun and interactive program, certified Georgia Master Naturalists are encouraged to share their knowledge with their communities by volunteering as trail guides or trail stewards at Elachee.

Program fee: \$160 for all sessions and field trip.
Must be 18 or older to participate. For more information or to register, call 770-535-1976 or email: elachee@elachee.org.
