

# Elachee's Volunteer Trail Stewards

## 2008 Training Opportunities

**Thursday September 25: 6-8pm**

**Friday September 26: 10am-noon**

*Join our Trail Steward team and help Elachee by providing a valuable service for our visitors while enjoying Chicopee Woods*

Volunteer Trail Stewards will hike the trails and/or be present at trail heads to greet visitors. Elachee will train Trail Stewards to provide trail and Nature Center information, Leave No Trace principles, and basic information about the plants and animals of the Chicopee Woods.

Volunteer Trail Stewards will record important data on the numbers of visitors, report on trail conditions and safety, and may perform light trail maintenance, keeping the trails clear of debris and litter.

**To register call 770-535-1976,  
or email [judith@elachee.org](mailto:judith@elachee.org)**

NOTE: above training is for new volunteers
