

# Georgia Master Naturalist Series 2017 PROGRAM

**In the Georgia Master Naturalist Series you will explore local habitats and ecosystems as part of this interactive 11-program course that combines indoor lectures with outdoor field experiences.** Gain the skills and knowledge to become more engaged environmental stewards by participating this Elachee lifelong learning program.

Elachee tailors the *Georgia Master Naturalist* course for the local environment, within the framework developed by The University of Georgia (UGA) Cooperative Extension Service and the UGA Warnell School of Forestry and Natural Resources. Course participants receive a certificate of completion.

**Program Fee:** \$275 per person (Elachee members receive a \$25 discount at registration.)

**Registration Required:** Call 770-535-1976 or Enroll Online, <http://bit.ly/2fGixO3>.
