

Annual Corporate Sponsor Program

Thriving Communities Need Natural Balance

Elachee is a premier regional environmental education center and recreation destination to unplug, reconnect with nature and learn. Nestled in one of Georgia's largest protected green spaces, the 1,440-acre Chicopee Woods Nature Preserve, Elachee provides a dynamic backdrop for students, families and nature lovers to encounter and discover the Earth's magic.

Why Partner with Elachee?

Elachee's job is to cultivate the 'next generation' of Earth stewards and has a sterling reputation with a nearly 40-year legacy of building environmental literacy for Georgians.

As the only SACS/AdvancED-accredited nature center in the southeastern U.S., Elachee promotes environmental understanding through education and conservation – a worthy mission that aligns with the values of organizations seeking to improve quality of life in the communities where they do business.

A privately owned and operated 501(c)(3) not-for-profit, Elachee relies on corporate sponsorships to fund operations as a vital part of its fundraising strategy, in combination with earned income (Tax ID 58-1643768).

Bank on Elachee for Prime Exposure

Elachee is busy year-round and welcomes more than 65,000 annual visitors. All ages engage in quality nature experiences ranging from K-12 school field trips and Camp Elachee to seasonal public events and life long learning programs.

Volunteers get involved with ongoing conservation initiatives and hikers come from around the region to enjoy Elachee's 12 miles of pristine trails. The campus is also home to Georgia's first accredited and licensed nature-based school, Elachee Nature Academy, offering Preschool through 2nd Grade programs.
