

Did you know...

That there are over 20 different animals living at Elachee, including 2 Red-tailed Hawks, 2 Gopher Tortoises and a variety of reptiles and amphibians? These animals are used in teaching our education programs and are on public exhibit for all visitors to enjoy.

Animal adoption is the perfect gift to honor a special teacher, scout leader or 4-H leader for their dedication, or for anyone who appreciates the wonderful creatures

From: _____

Address: _____

City: _____

State: _____ Zip: _____

Phone: _____

Check Enclosed: _____ or charge to:

Visa: _____ MC _____ Discover: _____ Amx: _____

Acct #: _____

Name on Card: _____

Adopting an animal friend helps to defray the costs for food, habitat supplies and veterinary care here at the Center. An adoption is for one year from the designated start date you supply, and includes a guest pass for the adopter to visit and see their animal friend and the adoption nameplate near the animal's home.

Each adopter receives a gift bag with all of the following:

- ◆ An adoption certificate
- ◆ A picture of the animal
- ◆ An information sheet about the animal's living and eating habits
- ◆ Themed goodies for you to keep

Please return this form and payment to:

Elachee Nature Science Center, 2125 Elachee Drive, Gainesville, GA 30504

Please allow 2-3 weeks for adoption processing, gift bag and enclosure label.
