Elachee Nature Academy

Kindergarten–1st Grade Class

2021-2022 APPLICATION PACKET

www.ElacheeNatureAcademy.org
Dear Families,

Thanks for your interest in Elachee Nature Academy’s Kindergarten-1st Grade (K-1) program for the academic year 2021-2022. Parents choose this innovative program to thoroughly prepare their young children for continued academic success.

At Elachee Nature Academy, we believe in educating the whole child. Our certified educators give students the chance to find their place in the real world and at their own pace.

Our combined Kindergarten-1st Grade program features a specially designed, standards-based method of experiential learning which invites children to engage in creative discovery and reflection, with instruction predominantly taking place in an enriched natural setting.

Elachee Nature Academy is accredited through COGNIA and the Southern Association of Colleges and Schools (SACS). This private, tuition-based school is managed and operated by Elachee Nature Science Center in Gainesville, Georgia. Elachee is a premier regional environmental education resource with a legacy of providing quality programming for children, adults and families since 1979.

We invite you to schedule a tour of our facility and explore for yourself Elachee Nature Academy’s innovative and nurturing learning environment.

Sincerely,
Director of Schools
Elachee Nature Academy
Our Mission

Elachee Nature Academy’s mission is to provide educational experiences in the classroom and in outdoor settings that will encourage a child’s natural curiosity, inquisitiveness, affection and respect for the natural world.

Educational Philosophy

The Elachee Nature Academy K-1 program curriculum is specifically designed to incorporate all of the Georgia educational standards while utilizing Elachee’s natural settings and multiple outdoor classroom areas.

Some of the many teaching strategies we integrate include:

• Providing a supportive, safe learning environment to encourage discovery and experimentation
• Offering sensory opportunities with live animals, natural objects, artifacts, trail games, outdoor exploration and creative arts activities
• Stimulating cognitive growth and problem-solving skills through hands-on activities, games and discovery learning in nature
• Developing physical motor skills through active learning and play
• Cultivating social skills and positive self-image through group interactions and cooperative learning
• Nurturing self-expression, creativity and reflection
• Instilling respect and appreciation for the natural world

Curriculum

Our unique Nature Academy curriculum delivers sound, standards-based hands-on instruction while respecting children’s need to learn while doing. It incorporates academics with exploration and discovery in north Georgia’s most beautiful outdoor classroom to successfully promote physical, social, emotional and intellectual growth. We also provide STEAM-based enrichment opportunities for our students utilizing Elachee Nature Science Center staff for specific programming and certified art educators to further enhance our ‘hands-on’ style of programming.
Parent Involvement
Parent involvement is critical to the development of young children in the Elachee Nature Academy program.

The Nature Academy parent responsibilities include:

- Attending Parent Orientation, held in late July without students or siblings present, to meet the staff and learn what to expect for the coming year.
- Being available for two (2) parent/teacher conferences (scheduled in October and April).
- Doing your part to stay current with class events and schedules by reading e-newsletters and bulletins sent home with your child.
- Participating as volunteers on Elachee Nature Science Center’s annual Flights of Fancy Benefit & Auction host committee and/or as volunteers for Elachee’s seasonal public programs such as Raptor Fest, Trillium Trek Trail Run & Walk and Snake Day.

Elachee Membership
As a bonus your child’s Elachee Nature Academy tuition includes one (1) Elachee Nature Science Center Annual Membership (per family) effective August 1st of the academic enrollment year. Visit elachee.org/join to see benefits of membership.
The Elachee Nature Academy school year begins in early August and ends in late-May. We follow Hall County Schools’ academic calendar. School hours are Monday through Friday, 8:30 a.m. to 3 p.m.

Elachee Nature Academy: K-1 Enrollment Process

TOUR
- Schedule a tour of the Elachee Nature Academy (ENA) facilities and participate in an informational interview with the Elachee Nature Academy Director of Schools.

APPLY
- Complete the ENA K-1 Enrollment Application and submit along with the non-refundable per student $99 Enrollment Application fee (or a $149 non-refundable application fee if applying for two children in the same household).

UPON ACCEPTANCE to ELACHEE’S 2021-2022 K-1 CLASS
- Once your child receives a letter of acceptance, for ENA to hold your child’s place in the K-1 class you must pay the non-refundable $499 enrollment deposit when submitting your completed/signed enrollment contract by May 31, 2021. The enrollment deposit is applied to your child’s May 2022 tuition payment.
- Submit the following documents:
  - Birth Certificate
  - Immunization form
  - Kindergarten applicants: (if currently attending a Day Care or Preschool) School Transcript Release Form, Preschool Assessment form and copies of any special services, psychological reports or IEPs
  - 1st Grade applicants: School Transcript Release form and Teacher Recommendation form
  - Family Information form
- Attend Parent Orientation Night held the last week of July (Parents Only).
- Attend Open House Night for parents and students that takes place right before school starts.

Elachee Nature Academy (ENA) admits qualified students of any race, color, national or ethnic origins to all the rights, privileges, programs and activities generally accorded and made available to students at ENA. ENA does not discriminate on the basis of race, color, national or ethnic origin in administration of its education policies, admissions policies, financial aid program and other administered programs. Disabled students (or disabled family of member of applicants) requiring any type of accommodation during the application process or otherwise are encouraged to identify themselves and indicate what type of accommodation is needed.
