Elachee’s Community Partners Agree

“We view Elachee as a core component of our community involvement. It is invaluable being partnered with an organization that shares in our own philosophical beliefs of education and conservation.”

– Alexander Murray, Willis Investment Counsel

“Cargill cultivates relationships with local organizations that provide educational resources to our youth community. Elachee demonstrates this with local programs that teach how to protect our natural resources and promote sustainable agricultural practices in our community. – Christine Wages, Cargill, Inc.

“I can’t think of a better place that improves both the mental and physical health of our community than Elachee, and have seen first-hand how this exposure to learning about the outdoors can positively influence the next generation, which is our future.”

– Jason Everett, Gainesville Flooring

Elachee’s Ripple Effect

Call 770-535-1976 to explore how Elachee may help you achieve your marketing and philanthropic goals while engaging with your community.

Discover, Learn, Play

Elachee is busy year-round, welcoming more than 70,000 annual visitors to delight in quality nature experiences. These range from PreK-12 school field trips, Camp Elachee, seasonal public nature encounters, life-long learning programs, interactive natural history and live animal exhibits, to volunteering in conservation and preservation initiatives. As well, hikers come from around north Georgia to enjoy Elachee’s 12-mile trail system in the Chicopee Woods Nature Preserve.

The Nature Center campus is also home to the acclaimed Elachee Nature Academy, an accredited and licensed school with nature-based Preschool and Kindergarten-1st Grade programs.

Elachee relies on sponsorships to fund public nature programs and events benefiting the regional community, which in combination with earned income, donations and grants are a vital part of a multi-faceted fundraising strategy.

Partnering with Elachee is a Sound Investment

Elachee is a premier regional environmental education center and recreation destination to unplug, reconnect with nature and learn.

Nested in one of Georgia’s largest protected green spaces, the 1,440-acre Chicopee Woods Nature Preserve, Elachee provides a majestic backdrop for students, families and nature lovers to encounter the Earth’s magic.

Elachee, the only SACS/AdvancED-accredited nature center in the southeastern U.S., is a privately owned and operated 501(c)(3) organization. This north Georgia resource has a sterling reputation and through its visionary leadership, has a 40-year legacy of promoting environmental understanding through education and conservation.

It’s a Simple ‘Win-Win’

Elachee’s worthy mission aligns with values many area organizations and individuals embrace – a desire to improve quality of life in the communities where you work, play and live by providing natural balance.

Elachee offers an effective way to leverage your community outreach budget with a single investment, allowing you to opt in on your timetable.

Become an annual sponsor, choosing the investment level with benefits most relevant to you. Or, choose an a la carte seasonal event sponsorship to gain visibility for your business or organization.
